TOTALS	308	302	289	290	287	276	277	282	277	294

Membership Trends & Analysis:

- PYC membership has been steadily increasing, exceeding 300 members for the last two years. Membership rates remained at the level established in 2017.
- We welcomed 24 new members (a combination of family, single adult, bridge and crew memberships); however, we had 20 members resign from the PYC this year – a significant increase from previous years.
- The Bridge Membership from PLSS to PYC has been added to the application form and Article 1 of the By-Laws.
- Racing memberships increased the most this year, hopefully many of them will become adult sailing members within the next two years.
- The renewal process incurred quite a few challenges with the data management system, Club Express. An alternate system is being explored.
- The 2018 membership cards were once again designed and printed by Card Imaging. *Thanks* to Bill Rajki for this generous donation.

- 2018 Membership Committee members: Mark Isabell, chair, Nancy Niedziela, Lori Peterson, Patty Galante, and Charlotte Peterson. If you are interested in joining this committee please let me know.
- The Membership Application Form has been updated and is available on the PYC website.

Thank you for your support and the opportunity to serve the club as the Membership Director this season.

Respectfully submitted,
Mark Isabell
